DRESS REGULATIONS FOR BALLET CLASSES
September 2010

*Students are expected to wear the correct dance attire and attend classes with their hair neatly in a bun. This shows respect for the teacher and the art of dance. It also develops discipline, which is an integral part of ballet. **Students who choose not to follow dress regulations will not be allowed to participate in their classes.** If you are unsure as to your proper attire, please leave all the tags, etc. on your items and bring them to Ballet class the first week of Sept. for your teacher to check. Information regarding character skirts and ribbons will be available in September.*
