

Regular Dance Classes in Competition

Information to Assist Parents in Submitting Entry Fees and Charts for Competitions:

All parents please note that you must include a "2009 chart" with your entry fee cheque when submitting your competition entry fees for your regular classes. Your entry fees and charts must be handed in at the studio office Monday-Thursday from 5:00-7:30 pm and Saturday 10:00-12:00 noon by December 21, 2009. Our studio office closes after classes on Dec. 21st and re-opens on Saturday, January 2, 2010. If your child is unable to attend a certain competition, you must notify your teacher immediately as well as the studio office. This is very important.

The chart that you are required to complete is attached to this email. Please fill it out carefully and attach your entry fee cheques and submit to the studio office. The deadline to return this paperwork is Monday, December 21st; however, to help you with all the added expenses at this time of year, you can post-date your entry fee cheques to January 4th, 2010. Please note that you still must submit everything by December 21st. A sample of the Regular Class Competition "2009 Chart" (including entry fee cost) is also posted on the bulletin boards. Please ask your teacher if you need any assistance.

If you need a copy of the chart please pick one up at the studio office.

It is very important that you make all competition entry fee cheques payable to Gail Scott.

Questions: please see your teacher.
