

LETHBRIDGE HOTEL INFORMATION

We have booked a block of rooms at the Lethbridge Lodge for our competition. We have been given a group rate of \$104.00 per night for standard rooms with two queen beds. When you call to book your rooms please ask for the Danscott Studios rate or quote group code "DANS".

Please note we will not have the specific dates that your dance numbers will compete until closer to the competition so you may have to book all the nights and call to change your reservations as soon as we get the competition schedule. Generally, though, Division I and II will be scheduled for the first few days and Division II and III in the last few days. However, if your number is chosen for the final dance off, that is usually scheduled for the end of the competition.
